

24 July 2022

Dear WSF Member,

We are writing to inform you that as of now, WSF continues to operate under the company incorporated in the Isle of Man (WSF IOM) due to delays in the Revenues & Customs and the UK bank opening procedures. The company incorporated in the UK (WSF UK) remains dormant until these issues are resolved and the trading can be transferred to this company.

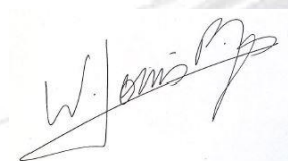

As a result, we will need to hold two Annual General Meetings (AGMs) this year, the company accounts relate only to the trading activities of the WSF IOM. There are no accounts to present for WSF UK.

If there are any proposals to amend the articles, they should exclusively refer to the articles of WSF UK, as the WSF IOM company will be dissolved once the business can be transferred.

Please contact the WSF Office if you have any questions as we understand that this year's AGM is more complex than usual.

Thank you for your attention.

Kind Regards

**WORLD  
SQUASH****WSF**
